Summary

This engagement refreshes the creative direction of the TigerBioSciences.com homepage. The work focuses on imagery, tone, and atmosphere to create a lighter, brighter expression of the brand that strengthens the impact of the homepage headlines.

The goal is simple. Keep the narrative. Change the mood. The result should feel more open, more confident, and more optimistic while remaining unmistakably Tiger.

Purpose of Services

This work exists to sharpen how the homepage feels and what it communicates at a glance.

1. Establish a brighter creative tone that reflects confidence and momentum.
2. Create imagery that reinforces and pays off the homepage headlines.
3. Improve emotional clarity without changing structure or copy.
4. Deliver a clear creative direction that can be executed cleanly.
