

One Week. Total Clarity.

Site Refinement + Brand Readiness for Tiger BioSciences

↓ Overview

↓ What This Engagement Covers

↓ How the Week Works

↓ Deliverables

↓ Team & Effort

↓ Commercial Terms

Overview	This engagement is a focused, high-touch refinement of Tiger BioSciences' most visible digital surfaces, delivered in a single decisive week with daily review and approval. The goal is twofold: • Make the site feel clearer, lighter, and more confident immediately • Surface the exact brand signals and decisions needed to move cleanly into a formal brand system and brand book This work is designed to move fast, stay tight, and create momentum without opening a redesign or long-term commitment. Prepared for: Tiger Medical Holdings, LLC, d/b/a Tiger BioSciences Prepared by: Believe in Bttr., LLC Engagement window: January 29 – February 6, 2026 Total investment: \$13,750

Homepage	Refine hierarchy, clarity, and overall tone																
Key Supporting Pages	Apply the same refinement principles to high-visibility pages																
Visual Clarity	Reduce visual weight and improve legibility and flow																
Hero Sections	Simplify structure and sharpen the primary message																
Mobile Experience	Improve scannability, spacing, and readability																
Brand Signal	Identify patterns and inconsistencies that inform a future brand system																
Decision Velocity	Daily review and approval cadence to maintain momentum																

How the Week Works

Daily Execution Cadence

This engagement runs on a tight execution cadence with daily touchpoints. No workshops. No wandering. Each day moves the work forward.

Day	Carmen Traub 2026-02-06 What You See	Donny Smith 2026-02-26 Outcome
Monday	First-pass refinements and real options	Direction ready to share with Oliver
Tuesday	Refined options based on feedback	Direction confirmed
Wednesday	Majority of refinements applied	Execution validated
Thursday	Clean, consistent experience	Brand signals identified
Friday	Final refinements and summary	Approval and close

Deliverables

Clear, finite outputs.

- Live Site Refinements — Approved changes applied to agreed pages
- Brand Readiness Summary — What's working, what's inconsistent, what needs to be systemized
- Next-Phase Recommendation — Clear path into a brand system and brand book

Deliverables	Clear, finite outputs. • Live Site Refinements — Approved changes applied to agreed pages • Brand Readiness Summary — What's working, what's inconsistent, what needs to be systemized • Next-Phase Recommendation — Clear path into a brand system and brand book
