PAY VIA

Manual transfer (ACH/Wire), Card, Pay by Mercury

# Enterprise Architecture & Infrastructure Governance

Quarterly managed hosting and maintenance cycle covering all infrastructure, security, deployment, and operational support required for the Tiger BioSciences global ecosystem. Scope of authorized services:

**99.99%**

UPTIME SLA

**24 / 7**

MONITORING & SUPPORT

**Jul 1 – Jul 31, 2026**

SERVICE PERIOD

## INFRASTRUCTURE & HOSTING

- AWS and Vercel enterprise hosting with multi region delivery, auto scaling, and failover
- Dedicated, isolated production and staging environments
- Global CDN with custom edge logic for performance and routing control
- Infrastructure scaling dynamically with traffic and business growth
- Twice daily backups with full system redundancy and recovery coverage

## SECURITY & COMPLIANCE

- SSL encryption across all endpoints
- Cloudflare DNS management with DDoS protection and IP blocking
- SOC 2 and HIPAA readiness alignment
- Biannual compliance reviews and continuous security alignment

## DEPLOYMENT & OPERATIONS

- Full CI/CD pipeline with automated deployments and preview environments
- Ongoing CMS and core platform updates with QA validation
- Structured content and design updates within managed scope
- CRM, ERP, and API integrations maintained and optimized
- Performance tuning across infrastructure, delivery, and application layers

## MONITORING & RELIABILITY

- Continuous monitoring with 24/7 coverage and sub 2 hour incident response
- 99.99% uptime SLA backed by redundant infrastructure
- Dedicated Slack incident channel for real time escalation and resolution

## REPORTING & OPTIMIZATION

- AI driven SEO auditing and optimization
- Monthly executive reporting tying system performance to business impact and ROI

## ACCOUNT & SUPPORT

- Dedicated Technical Account Manager with direct ownership of the environment
- Unlimited support across hosting, infrastructure, and operational issues
- End to end ownership of uptime, security, performance, and operational stability

# Domestic ACH or Wire

**For US payers paying in USD.** Use these details to send an ACH transfer or domestic wire to Bttr.'s Mercury account. This is the standard option for Tiger BioSciences.

|                     |                                                 |
